

Abu Nasra for Marble and Granite

Long Years of experience and high quality products

Abu Nasra for Marble and Granite is a Jordanian international company and a regional leader in the natural stone industry.

Since its establishment in 1999, the company has experienced significant growth and expansion, emerging as a global model in the natural stone sector, marked by innovation and technology leadership.

One of its key strengths lies in its considerable responsiveness—it owns numerous stores—, competitiveness, and innovation. These attributes result from having the largest natural stone factory in Amman, Jordan, strategically located, and equipped with the most advanced technology. Additionally, Abu Nasra has more than 9 distribution warehouses and maintains an international presence by exporting to various countries.

OUR STORY

Our story at **Abu Nasra for Marble and Granite** is defined by a timeless connection to the artistry of natural stones. Marble, a medium that predates humanity, has been our canvas for over two decades. Since our establishment in 1999, we have evolved into an international leader in the Natural Stone industry, shaping innovation and technology in every slab.

Born out of an unwavering passion and deepening professionalism, Abu Nasra has become synonymous with quality craftsmanship. Our roots trace back to the heart of Amman, Jordan, where the largest natural stone factory stands as a testament to our commitment to cutting-edge technology. With over 9 distribution warehouses and a global presence, we have etched our mark on the industry.

At the core of our mission is the vision to stand at the forefront of the worldwide Natural Stone business. We strive for continuous innovation, developing products, systems, and services to ensure a satisfied customer base, create shareholder value, and nurture a motivated and qualified staff. Our values—performance, success, integrity, motivation, and flexibility—are the pillars on which our success is built.

In our pursuit of excellence, technology plays a pivotal role. Abu Nasra invests substantially in cutting-edge machines, offering innovative solutions that align with the latest market trends. Whether your taste leans towards classical elegance or modern chic, and regardless of your budget, Abu Nasra is here to guide you in turning your space into the haven of your dreams.
